**Public Performance and Management Review Call for Manuscripts**  
Public Performance and Management Review (PPMR), the journal of the American Society of Public Administration's Section on Public Performance and Management invites manuscripts addressing a broad range of factors influencing the performance of public and nonprofit organizations and agencies (including best practices in measuring and evaluating performance, improving budget strategies, managing human resources, building partnerships, engaging citizens, and applying new technologies). More information is available [online](#) and by [email](#).

---

**Research Funding Opportunity**

The Boston Area Research Initiative (BARI) is inviting applications for research seed grants for projects occurring during the 2019 – 2020 academic year. The grants will support graduate students conducting original data-oriented research on the Boston area at the intersection of scholarship and policy. Applications can be submitted by students at any local university.

For information on research specifications and application process, [click here](#).

*Please note that NCPP is not affiliated with BARI.*
