Call for Proposals and Participation

The Eleventh Annual Public Performance Conference:

"TURNING DATA INTO ACTION: WHAT EVERY PUBLIC AND NONPROFIT MANAGER NEEDS TO KNOW ABOUT DATA-DRIVEN CHANGE"

Interesting in presenting?

[Call for Proposals](#)

extended to August 15th

Register Now

Early bird registration expires after 8/1.

Performance measurement is becoming more and more common across the public and nonprofit sectors. Join the discussion about creating measures, collecting and analyzing data, and building cultures of creativity and data appreciation.

Keynote Speakers

Bob Behn, Senior Lecturer in Public Policy
Kennedy School of Government
Harvard University

Troy Schulte, City Manager
City of Kansas City, Missouri

Seeking Evaluators for the Eighth Global E-Governance Survey

This study is being conducted by the E-Governance Institute at the Institute for Public Service, Suffolk University in

Do you read one or more of

collaboration with Yonsei University and the University of Massachusetts Boston. It represents a continued effort to evaluate digital governance in large municipalities throughout the world. The survey produces comparative analyses of e-governance and contributes to the e-governance literature.

Surveyors will have the opportunity to learn about e-governance and related issues such as e-democracy, e-service, e-voting, e-bulletin boards, website usability and online citizen participation. All participants will be credited in the published results.
