

Professional Development & Opportunities to Contribute

Spring is here! Start achieving your 2019 professional development goals by registering for the next session of the completely online Strategic Performance Management certificate program. Session begins May 6th!

Strategic Performance Management Online Certificate

NCPP's completely online Strategic Performance Management (SPM) certificate trains practitioners to implement performance measurement and management programs to improve organizational outcomes.

Program Registration

Spring 2019 session begins May 6th.

Discounts are available for government and nonprofit employees and for groups.

Now enrolling!

What's your performance story?

Call for Submissions: How are you using data to shape your organization and create impact? [Share your story here](#) to be featured in an upcoming newsletter or on our website.

Public Performance and Management Review

Call for Submissions: *Public Performance and Management Review* (PPMR), the journal of the American Society of Public Administration's Section on Public Performance and Management invites manuscripts addressing a broad range of factors influencing the performance of public and nonprofit organizations and agencies (including best practices in measuring and evaluating performance, improving budget strategies, managing human resources, building partnerships, engaging citizens, and applying new technologies). More information is available [online](#) and by [email](#).

Events

Annual Public Performance Conference - Boston, MA

September 26th-27th, 2019

Announcing keynote speaker Brian Elms!

Brian Elms, author of *Peak Performance*, former Director of Peak Academy and Analytics for the City and County of Denver, and Innovation Practice Lead at Change & Innovation Agency will serve as keynote speaker.
